

BUILDING OWNERS

DO YOU QUALIFY?

Commercial building owners with 30,000 to 140,000+ SQFT of available roof top

Client Owned Solar Array

Our clients typically invest \$500K - \$2M in a rooftop solar array. These investments have a 10-15% 25-year internal rate of return. In most cases, owners see a return on investment in less than 4-year on cash deals.
